Pauline has shown a great interest in her home improvement work and has learned and used many principles of home improvement as is evidenced by her project reports and pictures. I have been in her home and I saw the rooms before and after improvement. She has done much to make the rooms more attractive.

The quality of Pauline's work is tops. She won first at the state fair with her Home Improvement II exhibit. She also does outstanding work in clothing, baking and other projects, and is active in all club and council activities.

#### FAREWELL

The end of this year has almost reached its climax and another page of all Junior High Students life will be closed.

The seventh graders would like to bid adieu to all their seventh grade teachers and rest their brains for the next three months. They will look back and smile on this year as one of their most pleasant.

The eighth graders will do likewise but next year they will be full fledged Freshmen and ready to start their High School career.

Probably the biggest "So Long" will echo from the Freshmen who are leaving Junior High and going on to probably what will be the three most important years of their lives. So "Bon Voyage" to these students and may they have the best of luck in High School.

#### DISTRICT STUDENT COUNCIL

On April 27, 1953 a District Student Council meeting was held at Belen High School. At 12:00 all the Student Councils from various schools in this district, met at High School and there, were given identification cards which we wore to make it easier to get acquainted.

From the High School we went by bus to have lunch at the Hot Lunch Room at Jaramillo School. After a very hearty meal we got back on the bus and were taken to the dormitory where we conducted our business meeting. Frances Seery presided as President, Angeline Sachs as secretary, and Bobby Velasquez as Vice-President.

A discussion was held on How to Make Our District More Powerful, Inter-School Relations, and a report was given on the State Student Council. The Junior High then conducted a panel discussion consisting of Norena Baca, Dickie Sanchez, Georgia Crady, and Carole Elkins. Norena was the spokesman. Dickie discussed Boys in the student Council and Georgia discussed inter-school relations with the Junior High. Carole's topic was Junior High Student Council Projects.

## "PEEK INTO THE FUTURE"

One nice Spring day last month I went on one of my business trips to "New York. I was busily trying to get my stock reports together when I heard the co-pilot and the ~~steward~~ stewardess talking. I looked up and to my very much amazement who should I see but two of my good friends from Belen, Angiela Sanchez and Georgy Baca. I called them over to me and we got into a long discussion about our good old school days. Angiela told me that Mack Hennington had become New Mexico's governor. I wasn't too much surprised as I remembered the interest he told in politics in school. They also said that Sheila Seery had taken over her fathers business, and was doing quiet well. Wishidtgoothey had to be going so I said goodbye and settled down to wait. We arrived in New York.

which stood out in my mind. It was the one with the pictures of the ladies sponsoring the convention. I asked the desk clerk who they were. The answer he gave me was quiet surprising. He said they were Edwin Archuleta's. I'm with. I had hopes of seeing them before I left New York.

I attended a few of my business meetings during the day. So, I decided to go out to the "Stork Club" for a little entertainment. About 9 o'clock

caught a taxi out there. I was very much surprised when I ~~met~~ saw who the director of the band was. It was another good friend of mine, Lena Castillo. After a few numbers I ask her to come over to my table and join me. We were both very pleased to have met up with each other. Lena, told me that Paula Garrett had just opened for a two week run at the Met. Also, that Richard Gabaldon was the ~~agg~~ teacher in Belen High School. Bobby Harmon had received a degree from Oxford University in

England. Soon she had to be going so  
after a few more numbers I left the club

The next morning in my hotel room I happened to glance down at the newspaper on the table. The headlines amazed me. The words read "John S. Aragon nominated for United States President. Well, Well, I thought he finally got into politics.

After my last business meeting I decided that it was too warm to take a stroll so I dropped into a small theater off Broadway. As the curtain rose I saw the leading lady come on to the stage. She seemed very familiar. I looked at the program and then I knew why she seemed familiar. She was Susan Gonzales. The play was very interesting and Susan played the part well. As the final curtain fell I departed from the small theater.

I was almost noon so I decided to get ~~me~~ a bite to eat. As I was looking for a nice cafe I saw four girls coming up the street. They recognized me and I did them. They were Karen Campbell, Ann Vincent, Carole Elkins and Sue Johnson. They invited me to have lunch with them. They told me that they were attending Vassar College and they were in the same dormitory. I asked them to call me at home and they agreed.

...e running a used car  
Albuquerque and had a booming

The thing that surprised me  
of all was that Connie Hethcoat  
bought half interest in the Hilton  
hotels across the states. Soon our  
lunch was over and we parted our differ-  
ent ways.

I had another business meeting to  
attend so I caught a taxi and rode back  
to the hotel. Since that was the last  
meeting it didn't last too long. The  
next plane left for home in an hour.  
By the time I got my bags packed and got  
out to the airport the plane was almost  
ready to leave. As we rose gently into  
the sky I settled back with a sigh and  
remembered my good ole days in Belen  
Junior High. SB

The looks of relief on the World History students faces after they turned in their 6,000 work term papers. Hey boys did you see the sun any day last week. Did you see Margaret Goodman winking at the boys in General Science. Careful Mart! Did you see all the annuals floating around school and classes last week. Did you see Sheila Serry naming off her three boy frænds U.M., M.H. and who is the last one? The new Boy and all the girls eyeing him? Watbh it boy.

## STUDENT COUNCIL CONSTITUTION

The Junior High Student Council recently met to draw up a Constitution.

## F. B. I.

Norena Baca seems to be very popular with a few boys from Albuquerque. Who are they Norena?

Elizabeth Lambert and Carol Kimsy seem to have a great deal of fun waving at the Bolivars each morning when coming to school on the bus.

Marilyn Smith finds it hard to ~~wait~~ wait for the Prom. It couldn't be because of the certain guy you are going with, could it Marilyn? Shirley Garner is having a big barrel of troubles, now that she has Los Lunas, Albuquerque and Clovis on her mind.

Jerry Jentry and Pilar Sanchez seem to have a great deal of fun arguing in study hall. Wonder Why?

Johnny Johnson sure is getting to be a gentleman lately.

Ruth Gallegos eyes sure do have stars in them lately. Is it because of Jerry Baca, from Albuquerque. Charles Hedges seems to know his way around school pretty well, with all the girls helping him, that is--- Margaret Barnes seems to be interested in one boy lately. Isn't his name David Smith, from Los Lunas?

It seems the little 7th grade girls are taking more pride in themselves lately. It couldn't be because of "BOYS" could it girls?

# LEADERS' ECHOES

National 4-H Club Week, March 3-11, will be here before we know it. Is your club planning something special for this week? It's a good time to publicize your 4-H club in the community with an exhibit or a special program or party with parents and friends invited. Or how about recruiting new 4-H club members? Or announce your plans for the coming year? From all reports, most counties are planning big things for the week—special news editions, exhibits, etc. Bernalillo and Santa Fe counties are planning to invade the capital city and see the legislature at work.

## IFYE Program

Has your county met its IFYE quota? Most counties are raising 10 cents per member. Every dime counts. To date, we have approximately \$400. To raise funds, the Chaparral 4-H Club in Dona Ana County recently sold candy after the county achievement program.

## Demonstrations and Contests

News that the El Rancho Milling Company is again sponsoring the Feed Sack contest for 4-H'ers for 1951 is welcome news. So, 4-H'ers, you'd

better start now making plans for your feed sack exhibit. . . The Singer Sewing Machine Co., Albuquerque, is again planning to sponsor the junior and senior clothing demonstration program and the junior dress revue contest. . . Are you planning an active health program for your club? Are your members enrolled in the new 4-H club project, "Healthy and Happy"? The boy and girl with the best health records in each county are eligible to attend the state camp as county health king and queen. . . We plan to have a district drama contest this year, with the first place winning play in each district competing in the state drama contest at the state camp. Each county must designate by May 1 whether or not they will have plays to present in the district contests. If your club plans to enter a play let your county agent know. District contests will be held during the summer, probably in July.

The Valencia County 4-H club achievement program, held Jan. 11 in Belen, is typical of county achievement programs in most counties throughout the state at this time of year. Boyd A. Smith, president of the county 4-H club council, presided over the meeting, which was well attended by club members, leaders, and parents. Principal talks of the evening were delivered by Bernard Baca, instructor in vocational agriculture at Belen High School, and Miss Sheila Callahan, Bernalillo County 4-H'er. Awards and recognition were given to county 4-H club winners, clubs, leaders, and honorary club members.

Top photo: Fred Huning, Sr., left, receives an honorary 4-H plaque award for his son, Fred Huning, Jr., from Valencia County Agent Montgomery Ellison. Miss Travis Hughes, associate state 4-H club leader, looks on. Other honorary awards were presented to Floyd Lee, San Mateo rancher, and the Grants National Bank.

Bottom photo: Alvy Smith, left, sales manager of the El Rancho Milling Co., Clovis, is shown with the Belen junior Miss 4-H club of Valencia county, first place winners in the state-wide 4-H club feed sack contest. Shown

with Smith are, left to right, Mrs. Elfego G. Baca (local leader), Evangeline Baca (junior leader), Anthony Baca, Mary Lou Aragon, Norena Baca, Mary Agnes Baca, Betty Vance, Betty Baca, Trinity Vance, Pauline Baca, and Margaret Salazar. Club members not in the picture are Celina Baca, Anita Giffin, Ruth Sanchez, Mary Rita Robertson, and Barbara Conant. The girls received a sewing machine as first place award.

Walvoord; Richard Vigil, who, on behalf of his brother, Verlado, accepted \$25 for first place garden at the county fair; Edwin Sanchez, front, third place garden exhibit at the county fair—\$10; and Horace Trujillo, second place county fair exhibit—\$15. Silvestre is enrolled in the Jarales 4-H Club and the other winners are enrolled in the Eastside Tigers 4-H Club of Belen.

# It's Time to Start Planning Your Home Garden for 1951

L. C. Gibbs  
Extension Horticulturist

**P**LANNING a garden is just like planning a barn, a house, or anything else. It requires considerable time and thought. First, you must imagine what your garden will be like; then draw the plans on paper. Space the rows according to the crop and to scale. Figure out how many rows of each vegetable your family will need for fresh use and for canning. Balance this against the likes and dislikes of your family. Then plan your garden so that there will be no space wasted or idle during the entire season.

Spade or plow your garden now. Test the soil with litmus to see if it is acid or alkaline. If the soil is acid, apply lime and work into the soil well. This will tend to make essential elements in the soil more readily available as plant food. If you can obtain barnyard manure, spread this over the ground before spading or plowing. Rotten leaves or some other compost material should also be turned under whenever it is available. If you plan to apply any commercial plant food, such as chemical fertilizers, wait until the seeds are planted. Unless you know that a specific element is missing, it is advisable to apply a complete plant food.

Some of the better paying vegetable crops are tomatoes, beans, carrots, beets, lettuce, broccoli, squash, and spinach. A few pepper plants will supply your family and add zest and

color to your salads. Cabbage and corn are also good paying vegetables, but they require lots of space. Sweet corn is the best thing in a garden, but it should not be planted at the expense of vegetables that can be grown in a small garden. Plant sweet corn at different dates and mix your varieties so that they will ripen at different times.

Small fruit gardens can be successfully grown in a carefully planned perennial section of the home garden. This section of the garden should be enlarged to include at least two of the small fruits, such as blackberries, dewberries, raspberries, grapes, and strawberries.

In areas where the wind blows a great deal, the plantings should be protected by windbreaks of trees or shrubs. Board fences also serve as good windbreaks. The small fruits should be placed where they can be irrigated from ponds or wells. Most of the small fruits bear the first year after they are planted. Because of this, they can be used by renters, as well as land owners, with the assurance that they will be able to harvest some fruit the first year. The small fruits, as a whole, are inexpensive and easy to propagate. They bear early and will produce a crop with little or no spraying, and, with the exception of grapes, they are relatively free from the ravages of insect and disease attacks. Do not plant more of these fruits than you can properly care for.

A few well-tended plants will pro-

duce more than lots of neglected ones. On the average, you can expect to harvest sufficient fruit for one person from a combination of any two of the following: 50 strawberry plants; 12 blackberry, raspberry or dewberry plants; 6 boysenberry plants; or 1 grape vines. Family preferences should be considered in making selections and determining the amount of planting. Generally speaking, grapes, blackberries, dewberries, and boysenberries are planted in the fall around November or December. Strawberries and raspberries are planted in the early spring. Your local county agent and home demonstration agent can supply you with the names of reliable nurseries and seed companies.

Most farm, ranch and city homes need a face-lifting after a few years. Plan now to enhance the beauty of your home by additional plantings of trees, shrubs and flowers. Here are just a few of the things that can be done to increase the beauty of your home:

1. Prune your trees and shrubs before the sap starts to flow. Remove all dead or diseased wood, watersprouts, and crossing or rubbing limbs. The balance of your pruning will then consist primarily of thinning out and shaping the tree or shrub.

2. Bush and climbing roses can now be safely cut back. Remove dead or diseased wood and restore the shapeliness of your bushes.

3. Fertilize your shrubs, lawn, trees and flower borders. This will make all the difference in the world in their appearance, growth and productiveness. Buy a good complete plant food and use according to the manufacturer's instructions.

4. Dormant sprays can still be safely applied on trees and shrubs. Extreme care should be exercised in applying sprays or dusts. Remember, follow directions to the letter.

5. Thin spots in lawns should be raked, fertilized and reseeded if this hasn't already been done.

6. Add some new fruit trees, evergreens, shrubs, vines, roses and perennial plants after the danger of freezing is over.

Emphasis has been placed on food production again this year. In addition to helping supply much needed fresh and canned food for home use, gardening improves health and diet and is a lot of fun, too. Don't have a garden that's rundown and drab looking. Keep it free from weeds, water it regularly, and plant flowers to pep it up.

And to help you with your gardening problems, you can ask your county agent for copies of "Growing a Home Garden in New Mexico" and "Grow Your Own Vegetables."

# Good Way to Keep Records

## Your 4-H Achievement Records

A loose-leaf book with a sturdy cover, 8½ x 11, is most desirable.

Include only things which have direct bearing on your own club experience.

Draw from your 4-H Memory Book to build your Record Book with required supplementary material.

Take pride and interest in your Record Book. You are the author and artist.

## What Goes into a 4-H Record?

Suggested table of contents for highlighting your 4-H Achievement Record for current year.

1. **Photograph.** 2½" x 3½" glossy print recommended.
2. **Standard Report Form** or summary of your 4-H Club work. Fill out all the blanks you can and total the columns. Record books furnish this information.
3. **4-H Club Story.** Use thought and care. Include reason for selecting project, very brief summary of your 4-H accomplishments, what you did, difficulties you met, how you overcame them, interesting experiences you had, what you learned and how you passed it on to others, new methods used, how they helped in home and on farm, how 4-H has affected you and possibly your future. Make it a warm personal story of your 4-H experiences.
4. **Record Book.** Include current year record books.
5. **News Clippings.** Include only a few of the very best. Give name of paper and date. Fasten to single page with rubber cement at top. Lay one over the other like shingles on roof.
6. **Pictures.** Use only those that best tell story of projects. Mount with art corners. Give date under picture.
7. **Awards and Recognitions.** May use summary of all awards by years. Example: Include one ribbon of each type, and list number received by years. Use pictures of medals, certificates, etc.
8. **4-H Club Correspondence.** Letters and telegrams. Only a few of the most significant. Fasten to a single page with rubber cement. Lay like shingles on a roof.

## Why Keep a Record?

A 4-H record is a summary of your 4-H activities—a day-by-day account of each project in which you're interested.

A project without records is like a clock without hands.

A record tells *you* about your progress. It tells *others* about *you* and *your achievements*.

A record helps you to see your successes and remedy your mistakes.

A record shows you the cost, effort, and time expended on your project.

A record stimulates self-improvement.

A record teaches you habits of data-gathering which will serve you long after your 4-H days are over.

A record reflects your interest as a 4-H member.

A record makes a project a business and not a chore.

4-H records show the importance of a well-rounded club experience.

Many of the awards are given on basis of records.

A record is the lasting picture of the 4-H YOU.

## Your 4-H Memory Book an Excellent Source for Required Material for Awards—May be Displayed at Community and County Events.

A Memory Book is for you to keep for yourself, your children, and your children's children.

A 4-H Memory Book is fun to plan, fun to fill, and fun to have always.

A Memory Book is just the place for **actual** ribbons, certificates, programs, banquet menus, and other souvenirs, which are too bulky for your Record Book.

A Memory Book is adaptable. Its contents are up to you. It can be large or small, bulky or slender, decorative or plain.

Remember that you may borrow from your Memory Book to build records for future years.

## What Goes into Your 4-H Memory Book?

Choose a loose-leaf book with sturdy cover and pages. Arrange all material chronologically.

Include **all** record books except current year or best one (which will be in Achievement Record).

Also include club stories of each year, except current year which will be in Achievement Record.

## Other Contents:

Pictures. Mount with art corners. Do not write on back of photos. Show date below each picture.

All clippings and newspaper pictures. Clip neatly, giving name of paper and date. Fasten to a single page (by years), one over the other like shingles on a roof. List all material accurately.

All 4-H correspondence—letters or telegrams. Fasten to single sheet, shingle-fashion (by years).

Leadership material, such as copies of talks, radio scripts, and so on.

Ribbons and certificates. Fasten shingle-fashion (by years).

Programs, menus, and invitations.

Pins, buttons, medals, badges and other keepsakes.

# Make your story "live" with PICTURES

EVER since a legendary Chinese philosopher claimed that one picture is worth many thousands of words, we, as a nation, have gone to great lengths to "illustrate" and "record" with a camera.

Unfortunately, the saying isn't true — not as it concerns just *any* picture.

But your camera can be a valuable asset to you in publicizing your club's achievements, and in recording your own. Pictures can be most important to a good news story or to a complete 4-H record.

MANY STATES suggest action pictures showing participation in events, work with projects and photos showing progress of work over the years as "musts" in a good 4-H member's record book. The first two suggestions apply equally well to news stories.

If there were one cardinal rule to follow in setting up these pictures it would be: Decide how a picture can be of most value in telling the story you wish to tell, then plan the photograph to tell that story.

Here are a few samples to show what we mean. These were made by Allison Lighthall on the picture trip described on page 20 of the August NATIONAL 4-H NEWS. For further suggestions on good photographs, see the message from Al Lighthall on the Round-up pages of this issue.

IN BEAUTIFICATION of home grounds, home improvement, farm and home safety and similar work, just an "after" picture without the "before" fails to give meaning to the improvements made. The pictures of Gordon Durham, Woodville, Ga., above, and of Gordon and his sister Bevelyn, below, make you realize the importance of the safety practice they adopted. Action or implied action attracts the reader's attention.

BELOW: sometimes a picture of an individual or a group illustrates your story, particularly if the story is historical or biographical. Frequently, however, if the photo is made with the story in mind, it can show action. In a story of two outstanding local leaders, we could show Mr. and Mrs. Carson Durham, Woodville, Ga., looking into the camera.

In this case, L. R. Dunson, assistant state club leader, presents them with a memento of leadership. Mr. Dunson's rugged profile was sacrificed, and the group was spread wider than a good news picture should be in an effort to get the Durham home into the background. The fact that the picture was made in late evening did not help this effort.

Should your project be canning, demonstrate that you know your method and are proud of your work by a picture of you in action. This is Bobbie Thomas, Wagener, S. C., in a set-up shot at Camp Long, Aiken, S. C. The vivacious and pleasingly natural pose of the subject adds to the picture interest.

LOWER RIGHT: The picture of your garden might show row on row of vegetables, but after one long shot of the over-all, wouldn't a close-up such as this one of Johnnie Tew, Linden, N. C., and his pickling cucumbers give your story or club record extra appeal? And notice how the background helps tell the story.

When you complete a handicraft article or an item in your electric project, show it off. Herbert Richardson, Aiken, S. C., does that by showing W. A. Beasley, assistant county agent, that his battery charger registers.

## BHS Students Back March Of Dimes

Belen High School Student Council members met in Mr. Fischer's office, at 11:30 a. m. Friday, Jan. 16. Mr. Dan C. Miranda reported on the March of Dimes campaign.

The S. C. planned an all-out campaign to make as much money as possible. Two containers will be in front of Becker-Dalies store, with students there on Jan. 24 and 31 to collect money from the people passing by.

A public address system and a large sign telling people to stop and contribute to the March of Dimes will be used, during the basketball games Jan. 21 against Western High school in Silver City, the S. C. is going to collect for the March of Dimes.

Gordon Blankenship is in charge of the program and Bobby Velasquez is in charge of securing the microphone and will have it ready in front of Becker-Dalies for the Saturday collections.

Angeline Sachs, district and state secretary, reported on the district meeting of last week in Albuquerque. Permanent delegates to the district are going to be chosen. Two delegates for the state convention in March will be Marcie Montgomery and Odelia Baca.

The Student Council decided against having cheerleaders for the B team, but two of our B. H. S. cheerleaders will take turns leading yells for them.

Sixteen boxes of food were delivered to poor families of Belen after the Christmas party.

## FRIENDSHIP CLUB MEETS

The Belen Friendship Extension Club met April 21 with Mrs. I. F. Alberson. Mrs. Paul Noble of Los Lunas instructed the members in making aluminum trays, each with an individual pattern designed by the members. Mark Beavers, Belen photographer, took several pictures of the ladies at work. The club meets on the second and fourth Tuesdays of each month.

## Junior High News

By Margaret Goodman & Sheila Seery, reporters

The Junior High school Student Council met Wednesday, Dec. 10, and discussed Christmas decorations for the school. Seventh and Eighth grade council members were assigned to decorate the hall and the study hall. They put up a very pretty bulletin board in the hall with a Merry Christmas greeting made with Christmas seals. The Ninth Grade Student Council members put up a Christmas tree, the first ever put up by the Student Council here.

Student Council members sold Christmas seals this year, and with the seals that were sold, students made posters. Seventh graders spelled out a giant "Merry" and the Eighth graders completed the greeting with "Christmas." The Ninth grade pupils spelled out "A Happy New Year" with their Christmas seals.

We wish to thank Junior High students for participating in buying the seals. Norena Baca is president of the student council this year.

Mr. Aragon, our Ninth grade civics teacher, received a letter Monday from Japan from persons who want to correspond with us. We are sending our names to this corresponding club and they will see that we get pen-pals. We are very proud of this for we are already corresponding with England, Scotland and Australia. Mr. Aragon said that we can expect to get letters from Ireland and other world countries if we keep it up.

## Three Belen 4-H Girls Win Trips To Chicago Meet

Three Belen girls, all members of the Junior Miss 4-H club, have won trips to Chicago to attend the National 4-H Club Congress Nov. 29-Dec. 3, Mrs. Aubrey Notman, county home demonstration agent and county girls' 4-H leader, was notified last night.

The three, Margaret Salazar, Pauline Baca and Becky Baca, were all judged state winners in the 4-H record competition, Margaret on safety, Pauline on home improvement, and Becky on health.

This county may also have a fourth winner. Miss Patsy Chavez, of the El Cerro club, was state winner in the Dairy Foods demonstration winner and is entered in a national regional division. If she wins there, she also will win a Chicago trip. She has already received a \$75 watch for her state award. Also, the leaders' contest has not yet been judged. Mrs. Elfecho Baca, Belen, has been entered in this competition.

This is the first time, 4-H leaders said, that county girls have won trips to the 4-H Congress. Miss Pauline Baca won a trip last year to the "Make-It-With-Wool" competition in Chicago, but this was not the 4-H Congress.

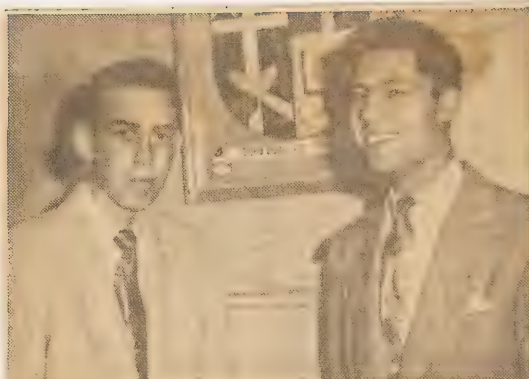

## 30 Are Listed On Honor Roll

Thirty students, seven boys and 23 girls, made the Belen High School honor roll for the first six weeks period, Dan C. Miranda, principal, announced Thursday.

Topping the list was Miss Judith Morerod, a Sophomore, with straight A's in five subjects. She is a daughter of Mr. and Mrs. S. B. Morerod, Adelino. Two others, Miss Carol Elkins, also a Sophomore, and Vincent Chavez, a Junior, also made straight A's, but were only carrying four subjects.

The qualify for the honor roll, Miranda stated that the student must make either an A or B in all subjects. The number in each class represented almost 10 per cent. There were 12 Sophomores, 10 Juniors and 8 Seniors on the

## Hub Extension Club Give Surprise Showers

Nine members and their hostesses of the Hub Extension Club met Wednesday afternoon for their regular bi-monthly meeting at the home of Mrs. Abelicio Ulibarri, north of town. In lieu of their regular home demonstrations generally enjoyed by the club the membership surprised two of their members, Mrs. Dan Romero and Mrs. Ignacio Baca with a pink and blue stork shower. The members and eleven invited guests enjoyed games and refreshments in the flower-banked living room of the hostess' residence. The honorees were the recipients of many artfully wrapped gifts.

The table held a centerpiece of a large white stork holding a diapered baby in its bill standing on a "carpet" of fresh autumn flowers. An amusing note was furnished by the game played where the guests had to identify snapshots of their in-fancy with that prize going to Mrs. Salomon Hidalgo. Voted the "cutest cherub" was Mrs. Salo Garcia with another prize won by Mrs. Dan Romero and Mrs. Henry Salazar jr. winning the door prize.

Refreshments of ribbon sandwiches, individualized cakes with the honorees names, "Lucinda and Rebecca and cookies tinted in pink and blue carried out the motif.

Members attending were the hostess, Mrs. Ulibarri, the two honored guests, Mrs. Romero and Mrs. Baca, the club's president, Mrs. Dora Bustamante, Mrs. Elfego Baca, Mrs. Frank Baca, Mrs. Joe C. Garcia, Mrs. Cleo Padilla, Mrs. J. R. Sanchez, and Mrs. Henry Salazar jr.

Invited guests included Mesdames N. C. Romero, E. Garcia, Preciliano Sanchez, Arnold Romero, Ray Romero, Salo Garcia, Salomon Hidalgo and Doroteo Gabaldon. From Los Chavez were Mesdames Eloy Baca, Dulce Sanchez, and Erlinda Garcia.

Joyce Smith, Belen, won third in the pen of three fat lambs fed by one exhibitor, for fine wool. Henry Chavez jr., Los Lunas, was fifth in the same class. Margaret Salazar, Belen, was seventh in fat lambs, all other mutton breeds.

All of the three were winners at the county fair.

## Pauline Baca First In Junior Division Of Wool Making Contest

Competing against contestants from 10 other counties, Pauline Baca, 14-year-old Belen 4-H girl, this week won first place in the state Junior division of the open "Make It Yourself With Wool" contest and thereby receives an expense-paid trip to the National Fashion Show in Chicago the latter part of December.

Pauline modeled an all-wool coat and accessories which she made herself at a total cost of only \$23.68. A Sophomore in the local high school, the Junior champion is the daughter of Mr. and Mrs. Elfego G. Baca, 505 North Third street.

Her sister, Evangeline, a Freshman at State College, also competed in the Senior division but failed to place when judges held that the material used in her suit did not meet the "all wool" requirements.

The Belen sisters appeared in the dress revue at State Fair in Albuquerque Tuesday afternoon. At this same revue, Sylvia Sachs and Gloria Tabet presented their tap dance number, "Strolling in the Park," as part of the entertainment.

The fashion show, in which the Baca girls participated, is sponsored jointly in the state by the State Fair and the New Mexico Wool Growers Association. The national show is presented by the F. W. Woolworth Co.

### Have You Given?

Have you stopped a second so that a child may walk a lifetime?

On Jan. 7th an assembly was held in the gym to inform the students what the clubs were going to do to help reach the \$1,000 goal set for the 1954 March of Dimes drive.

Pauline Baca, President of the Student Council, introduced the representatives from the clubs who told what they planned to do to raise money.

Reeta Sue Northcutt, editor of the Annual, introduced the guest speaker--Gunnar Dahlquist who is in charge of the March of Dimes in Valencia County.

Let's everybody do his part to make the 1954 March of Dimes Drive a success.

—Stop—  
A Second So a  
Child

MAY WALK  
For a lifetime!

### S.C. Sponsors "Basketball Game?"

A donkey basketball game will be played in the gym January 25. Local talent will ride the donkeys. Admission will be: Children-25¢, students-50¢, and adults-75¢. The proceeds from the evening performance will be donated to the March of Dimes as one of the B.H.S. projects toward a \$1000 goal. The Student Council is sponsoring the game.

A matinee will also be played January 25 with student participation. Admission will be 25¢ for students. The Student Council will collect the money from the matinee to pay for their expenses to state convention and their dues.

### F.T.A. Movie

The movie, which will be shown by the F.T.A. as their contribution to the March of Dimes, was sent for upon a decision reached by the members at a meeting held Wed. Jan. 6 in room 4. Although the name was not disclosed, it promises to be enjoyable.

### B.H.S.'s Most Popular Chosen

I'll bet you have been wondering who came out on top in the popularity poll taken on Jan. 6 by the Annual staff. "Well, chil'en, wanda' no mo'," because here are the answers: prettiest girl, Erlinda Zamora; handsomest boy, Philip Castillo; best personality, girl, Esther Jaramillo; boy, Joe Castillo; most likely to succeed, girl, Reeta Sue Northcutt, boy, our own co-editor Mel Castillo. Splendid choices, don't you think? Erlinda with her movie-star-like smile; Philip with his good looks and his down to earth attitude; Esther and Joe with their friendly "Hi" and happy disposition; Reeta Sue and Mel, smart but not snobs.

I think I could sum up these six students by relating this little story: After hearing Daniel Webster speak, David Crockett said to him: "I had heard that you were a great man, but I don't think so. I heard your speech and I understood every word you said."

We're handing out compliments to some mighty deserving students, so kids, line up!

Charity begins at home so let me take this space to commend our own little journalism class and its instructor, Mr. Richard Gilbert. We get a bit noisy at times and the editors might break out with gray hair, but all in all, we wouldn't trade or sell anyone of them. Congrats and a "Keep it Up" to Raymond Theiler and Roger Pyle for running "Nellie", our machine.

Then come the grades. They are the most important because that's what we come to school for. For the Sophs, Judith Macerod and Carole Elkins are walking away with honors straight A's. (Jumping Jupiter!) For the Juniors, Vincent Chavez, Marilyn Seery, and Albert Baca have gotten A's and B's. Nice going! For the Seniors, Laurence Hathaway, Reeta Sue Northcutt, Mel Castillo and Marcie Montgomery have also gotten A's and B's. (Keep up the good work, but let's get on the ball! Look at the little Sophs showing you up!)

A hearty, rah, rah! for our cheerleaders and the students who help them out by yelling at the games and long, loud Booo! to those who think it's "sissy-stuff."

A "Well-done" to Mr. Miranda for keeping everything in ship-shape order around the school.

Mrs. Car... chorus seems to get better all the time, doesn't it? She says there will be more programs put on in the future. If they're as good as the others, I don't think I'd want to miss any of them.

Mr. Bernard Baca's F.F.A. Department is really rolling out the projects and should be commended. Trailers, racks, and various do-dads are being made. Especially good work is being done by Felipe Storey, Richard Ulbarri, and Leo Mendoza. "Hoo-rah for Farmers"....

Our basketball team seems to be doing pretty well and as we go to press they have a 5-2 record. Some opposing coaches have remarked that the team is really loaded with talent this year. We heartily agree with them.

Probably the busiest group in school is our Student Council. What with the March of Dimes drive and others wondering whether or not they'll take time out to read this paper. Anyway, Student Council we give you this Eagles Clause Salute.

Well, that's about it for this time, students. In closing, I wish to say, "don't forget the March of Dimes drive." Remember, the Golden Rule is still, "Do unto others, as you would have them do unto you."

O! Where lies the wealth of our great New Mexico?  
Is it in the mountains where the pine trees grow?  
Is it silver, copper, or her fertile valley land  
Washed by the Golden Rio Grande? Is it in her caverns beneath  
the desert floor; Or in her high broad ranges with livestock  
dotted o'er? None of these exalt her, they are but fleeting joys,  
Her wealth lies in her girls and boys. With a Hi! Ho! And forward  
march we go, We are an army of ten thousand strong, Our pride and  
love we show for our State, New Mexico. So join us in our 4-H song.

NO. 13

HELEN TARPLEY, HENRY ANAYA GIVEN  
LEADS IN SENIOR PLAY ON MARCH 21

"Our Miss Brooks", this year's Senior play, will be presented Mar. 21 under the direction of Miss Claire Gaeto.

Helen Tarpley in the title role, has a rough time on her hands. If you think you have troubles, wait until you watch the delightful scatter-brained school teacher try to direct the school play, keep everyone's feelings unruffled, and most important of all, hold her man.

Henry Anaya plays the basketball coach who is practically oblivious to Miss Brooks' romantic advances.

Raymond Auge as Ted, the coach's star player and Miss Brooks' leading actor, creates quite a commotion as a result of his duel. Jane (Dolores Johnson) is Ted's leading lady and she really falls for the guy. Gue Bell as the snobbish Ahonda Allen is Jane's competition.

Jessie Capps is the amiable but slightly cynical librarian. Patty Peffer is the explosive Miss Audubon who wants to direct the play too.

Kable Perea, Janette Moore, Celaine Baca, Carmen Gallegos, Joan Goodall, and Evangeline Baca, as typical teen-agers, giggle, complain and cry their way through the play.

Fernando Salaz Jr. plays the barking school principal. Herman Tabet and Wilfred Noya play the male parts in Miss Brooks play. PEP

ROSEMARY LUERAS STATE FHA PREZY

Rosemary Lueras, Jr., is the new state FHA president. She will be initiated at their State Meet in Deming, Mar. 21 and 22.

This is the first time in the history of BHS that one of our candidates has been elected to this high office.

Rosemary won over other contenders who were, Mary Louise Hail, Mountainair; Mary Ella Johnson, Socorro; and Juanita Haley, Los Lunas.

The plucky Junior is a straight A student who has been on the FHA degree committee, both pres. and vice-pres. of the local chapter, and district vice-pres. Besides being very active in the homemakers club she is also vice-pres. of the Junior Class this year. LRS

## SENIORS TO WORK THEIR WAY

Seniors are really going to roll up their sleeves and get down to work, tomorrow, Mar. 15, which was set aside as official Sn work day.

The upperclassmen believe that by setting the work day on Sat. instead of during school time will help show their sincerity in really wanting to work for their money.

Each student will work until he makes at least \$2.00. The money will go toward financing the proposed trip to Las Vegas. LRS

## THANKS TO OUR HISTORIANS

Around this high school we have no historical records before 1939. We have issues of The Eagles Clause back as far as 1939 but then we have to start hunting. There are two institutions around this school where we usually find the information we're hunting for ---- Mr. Salaz and Mr. Ignacio Baca. Both are graduates of this school and can tell you almost anything of note in the history of B H S from its founding day. We would like to express our appreciation to both Mr. Salaz and Mr. Baca for all the help they always give us reporters.

PEP

## LET'S BE BETTER INFORMED

Our famous American newspapers have made America an educated nation. Of course there's no law that says you have to read "The Eagles Clause", "The Albuquerque Tribune", or "The New York Times". It would seem that there are too many students of this high school who never pick up a paper. The

(Cont'd from Col. 1)

Government Class recently took a poll as to what candidates the students believed would win the Republican and Democratic nomination. The poll would indicate that some of us do not know Robert Taft is a Republican. If you know all the history in the world, it won't do you a bit of good if you don't know what's going on around you. If our citizens of voting age are as uninformed as many of our students, it's no wonder we have such a rotten mess in Washington today.

PEP

Bits of  
MELODRAMA

BHS seems to have become a regular beehive of activity in the last couple of weeks.....The Seniors are working toward their trip to Las Cruces. Several money-making committees have been appointed by Sr. Pres. Pete Chavez.....The Juniors aren't far behind. Their next big event will be the carnival in April. Pres. Frances Seery says they're planning a prom this spring that will be "extra special". .....Mr. and Mrs. Miranda entertained the basketball squad, its manager, Coach and Mrs. Sharp, Coach and Mrs. Johnson, Coach and Mrs. Knapp, and Supt. and Mrs. Sanchez last night at the Home Ec. cottage.....The NHS wishes to thank Mr. Miranda for taking them to see Miss Yeck Tues. ...UNM sent four "future teachers" to do some practice teaching in our Home Ec. Dept. This means that BHS has gained recognition from the U. quite an honor!.....By the way, we might have an art class next yr. The mustaches drawn on the girls in the magazines up in the library will show some improvement. .... So long, 'til next issue!

## F H A TO ATTEND CONVENTION

The FHA Convention will be held at Deming, New Mex. on Mar. 21-23. Belen delegates who will attend are Rosemary Lueras, Sharon Carleton and Betty Garrison, voting delegates, and chapter advisors Miss Pauline Burke and Miss Ellen Buchanan.

Only the members who are to receive state degrees may attend. On the 22nd, the group will have a Red Rose Banquet.

RL

## FFA BOYS ENTER DISTRICT JUDGING CONTEST

Fourteen boys from the local FFA chapter will go to Albuquerque tomorrow to participate in the annual FFA district judging contest. Bernard Baca, advisor, has given his time for the past two months to teach those boys interested in agriculture.

After the district contest, Mr. Baca will take 15 boys to the state contest in Las Cruces for 4 days, Mar. 27-30. The winner will represent New Mexico in Iowa and Florida.

The contest will be in the following fields: poultry, dairy, crops, livestock, farm mechanics, tractor driving, and meat cuts. Three boys from each chapter may compete in any of the above fields.

RL

## EVANGELINE BACA TO REPRESENT BHS IN AMERICAN LEGION CONTEST

Evangeline Baca will represent Belen in the American Legion Oration Contest which is to be held today in Albuquerque.

Evangeline will make a 10 to 12 minute speech. She will compete with representatives from Highland, Menaul, and Albuquerque High.

The topic of the speeches will be "The Constitution of the United States".

## MEET THE PEOPLE...

After taking a mechanics course in college, Celine Baca has opened up a complete service station in Jarales.

The once popular Lydia Cordova is still hunting for her man! Can you imagine Lydia an old maid?

The sixth marriage for Lucille Aragon will be performed at the local judge's office on May 9th.

Laura Lou Lovett has gone to Reno to sue Richard Aragon for divorce.

Since joining the National Guard, Celso Sanchez and Ray Auge have been promoted to five star generals.

Tony Cordova and Frank Aragon, who are still inseparable, are partners in a large tobacco concern.

Nila Gomez has gone to Texas to join her husband, Steve Baca, who is a general in the army.

The Perea family has announced that their daughter Mable has become the winner of the Miss America 1965 contest.

Dolores Johnson has announced her engagement to Dwain Morrow, now singing at the Metropolitan Opera.

## FORMER STUDENTS DOING GOOD WORK IN COLLEGE

A report of Reuben Jaramillo's grades was sent to Mr. Miranda. Reuben, a 1951 grad of BHS, is a freshman at ENMU at Portales. He had one A, two B's and two C's.

The grade point averages of former BHS students—Melina Gutierrez, Fred Landavazo, and Lupe Storey were sent also from MMA&A. The averages were as follows:

Melina Gutierrez.....	3.0
Fred Landavazo.....	3.25
Lupe Storey.....	3.25

We've missed you, Miss Yeck. We hope you get well soon.

FAREWELL!

We seniors have come to the end of our journey. Many of us will go to college, some to government jobs and others into the armed forces. Wherever we will be, the memory of our carefree school days will never be forgotten, nor our senior year filled with activities, pleasures, and oh yes, loads of trouble.

Juniors, have you ever wondered how it feels to be a senior? We'll tell you. We often wonder if the world is square or round. We dream of a great future and deep down in our hearts there is a wish of being a sophomore again. But gee, in spite of all, being a senior is just wonderful.

In saying farewell, as seniors, we would like to thank all the teachers who have helped us through our high school days. They were always ready to give us a helping hand.

Mrs. Dark's reading classes have a new project for this new six weeks period. We are making scrapbooks. We may choose the subject for our books according to what we like to read about. Several students have already chosen their subjects and sports and outdoor life seem to be the most popular subjects.

#### SCHOOL SPIRIT

A student body at a game or any  
other sport is represented by their  
school spirit and sportsmanship. Only  
a few of us attended the B team tour-  
nament, but the few that did so,  
represented our school both in spirit  
and sportsmanship very poorly. Our  
school spirit is lagging. Lets remedy  
this by attending all the games if  
possible whether they are minor or  
major. Many students will be attend-  
ing the series of games in Socorro and  
we hope that whether we win or  
lose, we will not defeat our school spirit and  
sportsmanship is not also defeated.

Movies were shown to 3rd and 5th

purpose of the films were to explain  
further the subject they are now study-  
ing, sound.

The science classes used the school's  
new radio-phonograph combination last  
week. Records were played of the new  
type instrument, the theramin. The  
name of the recording was, "Peace of  
Mind." This soothing, "Peace Of Mind,  
music was recorded by Dr. Samuel Hoff-  
man, the only person to have recorded  
this type of music. Dr. Hoffman also  
recorded the background music for the  
movies, "Spellbound," "Lost Weekend,"  
and "Spiral Staircase." The music  
was very weird and beautiful.

## FOUR RULES FOR SMART CLOTHES

- The correct buying and wearing of clothes is not a miraculous trick to be mastered only after years of study and even then only by a chosen few. Any woman can buy well if she'll follow selection and wearing of clothes and there's no mystery in any of them.
1. Know your figure.
  2. Know your coloring.
  3. Dress to help both.
  4. Avoid extremes.

## READER'S REMUDA

Peoria, Illinois  
March 30, 1953

Dear Sirs,

Your "Sunshine City" made the front page here at Peoria. Reading the article brought back memories of the seven months that I spent there during the last war. My time being spent at the School of Mines in the Army Specialized Training Program which was in progress at that time.

Is it possible that a country can be surrounded by the United States all these years and yet not be a part thereof? I for one am greatly in favor of your plans of secession from the Union. Not necessarily for your \$2.50 a gallon "likker", or your 5 cents a pack cigarettes — all great things in this era of high prices. What I am wondering is if one could possibly collect back service pay from the Army for the duty time spent there outside the continental limits?

Watching your progress with interest I remain,

Sincerely,  
Erwin Besserer

## DONATE BLOOD FOR NEIGHBOR

Mrs. Jim Hogg and Mrs. Pearl Curtis went to Socorro Thursday to donate blood for Mrs. Fred Black who is seriously ill there. Mrs. Hogg's blood type was the correct one and she expects to go again later.

Mrs. Black needs 6 pints a week and if others in Quemado would like to go down sometime, a way can be arranged.

## START TO RETOP 41 MILES U.S. 60

Mr. and Mrs. Julian Gutierrez have moved up from Hatch district and are now located at Pie Town since the contract has been let for topping 41 miles on U.S. 60. Julian is with the engineering crew. Catron County is delighted to know that this stretch of highway is to be worked over as the trucking is very heavy on highway 60. More and more trucking comes this way, since this is the shorter route from California east, and the huge vans and trucks save a lot of miles and over a better road.

## Recently Appointed State Game Warden

Homer C. Pickens, recently appointed State Game Warden, will succeed Elliott S. Barker, whose retirement is set for July 1. Born in Cumby, Texas, July 5, 1903, Pickens came to New Mexico in 1926 to work with the old Biological Survey (now incorporated into the U. S. Fish and Wildlife Service), as a predator and rodent control man in the Tres Piedras area.

During his early years in the state, Pickens frequently worked with Elliott S. Barker, then game manager and lion hunter, for the Vermejo Park Club. When Barker was appointed State Game Warden in 1931, he asked Pickens to serve under him. At that time, the State Game Department was still in its infancy as a conservation agency and consisted of five wardens, two trappers and the limited staff of five small hatcheries. Serving as a Patrolman-trapper, Pickens was assigned to the Las Vegas country.

In 1932, he was transferred to Santa Fe and placed in charge of the lion hunting program for the entire state and later headquartered at Silver City. During the following four years, he set a number of records for lion hunters which have never been exceeded. In one year, he took 35 of the big cats; killed 10 in one month's time and eight in a single week. His grand total lion kill now stands at more than 165.

In 1937, Pickens was transferred to Albuquerque then, as now, one

quainted with sportsmen, landowners and conservationists. He is rated among the best of the fish and game men in the Western States and is well versed in game management and administration. Through the years, he has acquired an all round, practical working knowledge of fisheries management as well.

### 4-H MOTTO

To Make the Best Better

### 4-H CLUB PLEDGE

I pledge  
my HEAD to clearer thinking,  
my HEART to greater loyalty,  
my HANDS to larger service and  
my HEALTH to better living  
For my Club, my Community, and my Country.

### STATE 4-H CLUE SONG

O! Where lies the wealth of our Great New Mexico? Is it in the mountains where the pine trees grow? Is it silver, copper, or her fertile valley land, Washed by the Golden Rio Grande? Is it in her caverns beneath the desert floor, Or in her high broad ranges with livestock dotted o'er? None of these exalt her, they are but fleeting joys, Her wealth lies in her girls and boys.

Chorus:

With a Hi! Ho! And forward march we go,  
We are an army of ten thousand strong,  
Our pride and love we show for our State,  
New Mexico.  
So join us in our 4-H song.

The picture tells the story of a widowed farmer with four children who made several mistakes running his farm. He is finally rescued from his errors by a member of 4-H Club members. The picture is built around the 4-H Clubs and their value in farming communities. The script was written by Monte F. Collins. Pauline is a 10-year-old 4-H member and one of 24 girls throughout the country selected by Mr. Paige and his associates to be interviewed for the role. Originally there were 10,000 4-H girls between the ages of 10 and 12 built around the 4-H Clubs and competing for the part. All but 24

## Pauline Baca, 10, Of Belen, Interviewed For Screen Test

Pauline Baca, 10-year-old daughter of Mr. and Mrs. Elfege G. Baca, 505 North Third, was interviewed Monday for a screen test for a possible role in "The Green Promise," a picture of American farm life and 4-H club activities.

The hazel-eyed, ashen blond Belen girl was selected for the interview on the basis of a photograph she had entered in a nationwide search by the Glenn McCarthy Productions of Hollywood. More than 10,000 photographs were sent in for consideration.

Last Friday night, Pauline received a long-distance telephone call from Robert Paige, interviewer for the production firm, associated with the Samuel Goldwyn productions, requesting an interview. The appointment was made for 10 a. m. Monday at the Hilton in Albuquerque, Mr. Paige flying to New Mexico in his private plane.

Pauline was accompanied to the interview by her parents and two sisters, Evangeline and Norma. The only member of the family to miss was their older brother, George. A 2½-hour interview followed, including series of 12 pictures of Pauline and her family, and a press interview.

The Belen girl was one of the selected for an interview in the entire west, Mr. Paige told her parents. The other girl is in Wyoming. The list of candidates has been cut to 12, including Pauline. Mr. Paige said as soon as he had selected four, the interviewing would be discontinued. Pauline was his first interview.

If accepted, Pauline, with three other candidates, would be invited to Hollywood with their mother about July 28. Screen tests would follow, and the four girls assigned their respective roles in the movie, based on their photographic and voice qualities as displayed in the tests. While no commitments were made, Mr. Paige expressed himself as highly pleased with Pauline's "natural qualities."

Pauline is the third child in the Baca family and is in the sixth grade. She is also an active member of the Belen 4-H club. The picture above is a family portrait which Pauline originally entered in the nationwide search for Little Actresses.

## State 4-H Club Song

O! Where lies the wealth of our great New Mexico?  
Is it in the mountains where the pine trees grow?  
Is it silver, copper, or her fertile valley land  
Washed by the Golden Rio Grande? Is it in her caverns beneath  
the desert floor; Or in her high broad ranges with livestock  
dotted o'er? None of these exalt her, they are but fleeting joys,  
Her wealth lies in her girls and boys. With a Hi! Ho! And forward  
march we go, We are an army of ten thousand strong, Our pride and  
love we show for our State, New Mexico. So join us in our 4-H song.

#### SECOND PLACE WINNER

This high honor in the Junior Division of the sixth annual "Make It Yourself With Wool" homesewing contest went to Miss Pauline Baca, 14, of Belen, New Mexico, in the National Fashion Show at Chicago, Ill. Twenty-six young state champions, representing 13 Western states, modeled their homesewn wool coats, suits, and dresses for national awards in the show. Miss Baca was awarded a \$100. Defense Bond by John Walther Fabrics, Inc. for "outstanding homesewing skill" in making and modeling the homesewn tweed coat she wears above. Made of blue-gray nubbed tweed of 100 per cent virgin wool, the coat is cut to modified flare lines and has a single button. It took Miss Baca only one week to complete from cutting to finishing, and cost her a total of only \$22.01 for fabric and trim.

Held in conjunction with the 88th annual convention of the National Wool Growers' Association, the National Fashion Show is the traditional ending of the year's "Make It Yourself With Wool" homesewing contest. The contest is sponsored by The Wool Bureau and the Women's Auxiliary of the National Wool Growers' Association, and with Junior and Senior divisions, is open to all girls in the 13 wool-growing states. Dear 4-H Friend:

Here is the picture of your table at The Sears-Roebuck Foundation Breakfast. We send it to you with the hope that it may serve as a little souvenir of your trip to the 1953 4-H Club Congress in Chicago.

We look forward every year to the pleasure and privilege of being host to you 4-H folks. We hope that you enjoyed this brief visit as much as we always enjoy having you as our guests. Our only regret is that our time with you was so very short. The memory of our get-together with you will, we trust, live longer through this picture.

Congratulations on the splendid 4-H job you are doing, and best wishes for the holiday season and the coming year from The Sears-Roebuck Foundation.

Sincerely yours,

## State 4-H Club Song

O! Where lies the wealth of our great New Mexico?  
Is it in the mountains where the pine trees grow?  
Is it silver, copper, or her fertile valley land  
Washed by the Golden Rio Grande? Is it in her caverns beneath  
the desert floor; Or in her high broad ranges with livestock  
dotted o'er? None of these exalt her, they are but fleeting joys,  
Her wealth lies in her girls and boys. With a Hi! Ho! And forward  
march we go, We are an army of ten thousand strong, Our pride and  
love we show for our State, New Mexico. So join us in our 4-H song.

Hosts: Belen Eagle Leathercraft 4-H Club

EAGLES LOSE  
CLOSE ONE

Two wild pitches enabled the St. Mary's Cougars to win 3-2. Both runs were made in the second inning of the game; Ray Gunter got to first on an error, then raced to second when Adan Carrejo singled. Casey Cordova sent a fly ball over to right field and an error brought in the two Eagle men.

St. Mary's scored at the end of the second inning when Lionel Rovero was walked to first, and then stole second, with two outs. Billy McIntyre and Gene Griego were also walked to load the bases.

Then Irving threw his wild pitch and the Cougars scored three times.

Irving was then replaced by Kyle Parker who held the Cougars to one hit in the last five innings.

Winning pitcher was Mader C. Lovato. Losing pitchers were Irving, Parker, and C. Saavedra.

EAGLES WIN  
SECOND TILT

The Belen Eagles beat the Socorro Warriors Mar. 23, 1-0. Kyle Parker pitched a one hit game for the winning Eagles. In the fifth inning Parker was walked and Casey Cordova singled and put Parker on third. Irving hit a high fly to left field which enabled Parker to score. Parker struck out 9 and walked 2. Belen made 4 errors, Socorro 3. Losing pitchers were Max Gonzales and Gene Torres.

S. Gonzales got the only hit for the Warriors in the 4th inning.

SC ATTENDS  
STATE MEET

Pauline Baca, George Radcliffe, Carole Elkins, Yvonne Benassi, and Gloria Tabet, BHS Student Council representatives, went to Portales Mar. 18th, 19th and 20th, to the annual State Student Council Convention.

Student Councils from all over the state met and elected Foy Lowery from Carlsbad, as state president; Ray Arce from Tucumcari, vice-president; and Jo Beth Stevens from Deming, as secretary.

The students discussed high school problems. They enjoyed a get-acquainted dance the 18th and a semi-formal dance the 19th.

FFA INITIATES  
NEW MEMBERS

The Belen FFA chapter held their annual "Greenhand" initiation Thurs., Mar. 11. Fifteen members were initiated at the very impressive ceremony which lasted approximately an hour and a half. The members were required to recite the FFA creed and were then presented with a bronze emblem of the FFA which is the greenhand pin.

This year the usual horseplay was dispensed with, under the National Convention's ruling against horseplay.

After the initiation, a regular meeting was held and the Junior Carnival was discussed. It was decided that the FFA would not sponsor a booth this year.

The initiation was followed by a party.

Pauline Baca surely looks cute in that black Ford.....Oh! I forgot it was Sandy Hidalgo's.

Max Baca, how is that girl they call Jo?

Margie Cordova surely worked fast from Fri. to Saturday with those trophies.

That Black of Darkness outfit Betty Garrison wears, surely looks nice on her.

Paul Gomez writes his own name on his arm, in ink, so's he won't forget his name, I guess!

Lourdes really smiles when she sees or hears about Gilbert Rael. I wonder!

The latest is Ruth Torres and Ernest Garcia. Whew!!!!

The newest thing at BHS is Nichie's hair or are we having hallucinations?

With Ray Carbajal just having turned 17, he tells us he's ready, willing, and able to join the Navy.

Have you heard Tony Rivera sort-of-whistling in English? Especially since he was offered that contract from Carol Elkins.

Elsie Baca and Marty Sachs have surely taken a shine to each other the past few weeks. Hmmm! Oh well!

Although George Pena looks like he is shy, don't be surprised if you see him standing around with different girls between classes.

## Geronimo Caavez Named State Aide

Valencia is getting a new assistant extension agent to direct boys' 4-H work, the county has won the state 4-H safety plaque for the second consecutive year, and the annual county report today showed that 420 of the 469 boys and girls enrolled in 4-H work have each completed at least one project.

Geronimo Chavez, assistant county agent since June 6, 1949, will be transferred Jan. 1 to State College to become assistant state agent. He will fill the office formerly held by Jimmy Apodaca, also a one-time Valencia county assistant agent and will serve as assistant to L. S. Kurtz, state 4-H leader. The change was announced at State College by Alfred Triviz, assistant extension director.

Filberto B. Sanchez reported Monday morning to the extension office in Los Lunas for training to succeed Chavez. Sanchez came here from Las Cruces where he was assistant agent-at-large of Dona Ana county. Sanchez was graduated from State College June 6, 1950. A native of Monticello, in Sierra county, Sanchez is married and the father of two sons.

Chavez expects to remain on duty here assisting Sanchez until about Dec. 15 when he will take his annual leave, prior to reporting for duty in the state extension office. Chavez is a native of Polvadera in Socorro county, about 30 miles south of Belen, and a graduate of Socorro high school. He came here directly from State College, following graduation, but had his college career interrupted for a 37-month tenure in the Air Force.

The extension office at Los Lunas was notified Monday by State 4-H Leader Kurtz that Valencia county had again been awarded the state safety plaque for 1952, for the second consecutive year. General Motors makes the annual award and a company representative will be here to make the presentation at annual Award Night in January, Kurtz said.

Extension officials indicated that Mrs. Aubrey Notman will continue as home demonstration agent and as assistant in charge of 4-H work for girls.

There were reports that W. Montgomery Ellison, county extension agent here for almost a decade, may also be in for a promotion which may mean his transfer from Valencia county. State College spokesmen indicated this was in the offing, around Jan. 1, but said no successor had been appointed and no formal announcement can be made at this time.

Meantime, county 4-H clubs this week are observing annual Achievement Week. Exhibits are being shown here at the Silva Drug store and at Beavers Studio. The Bluewater Prairie Dog club gave an exhibit and program last Saturday at a joint meeting of the local PTA and Farm Bureau chapter.

The annual 4-H report for this county, due in the state office not later than Nov. 20, will show 469 members enrolled in 4-H, including 229 girls and 240 boys. There are seven girls' clubs, 5 boys' clubs and 15 mixed clubs. There are 37 adult local leaders and 15 junior leaders. The 469 members have completed a total of 645 projects this year. Of the 469 enrolled, 420 have completed at least one project, an exceptionally high number. The breakdown shows 209 of the 229 girls and 211 of the 240 boys completing projects.

**IT'S AN ART**—The group of adult leaders shown above are receiving the 4-H certificate for their club's excellence in recreation and rural arts at the annual 4-H Award Night in Los Lunas Jan. 22. The first three from left to right were presented with a \$20 check to their clubs for outstanding work in health improvement. Presenting the awards is Geronimo Chavez, associate state 4-H club leader, to, from left to right: Mrs. Dan Salazar of Belen, leader of the Belen Busy Girls 4-H club; Gilbert Sanchez, president of the Belen Eagle Leathercraft club, accepting his club's award for Mrs. I. C. Baca, who was unable to attend; Mrs. E. C. Baca, leader of the Belen Junior Miss club and Mrs. Boyd Smith, leader of the Belen Hi-Line club. (Beavers Photo.)

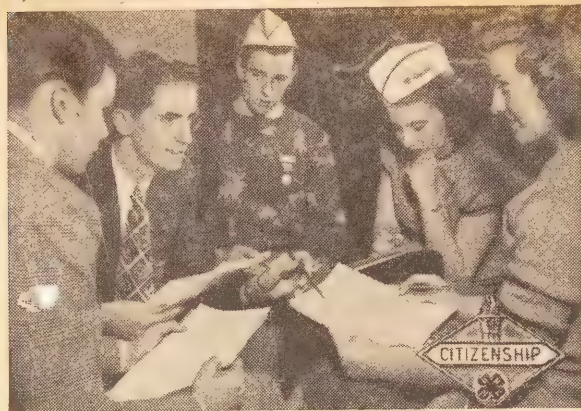

**EXCHANGE FARMERS** — Five agriculture experts from India who have spent 10 weeks in various parts of the state learning about American farming techniques will leave tonight for Washington on the first lap of their long homeward trip. They came to this country under auspices of the Interna-

tional Farm Youth Exchange Program. Those seated are Barid Mukherjee, Surindar Singh and Ramanbhai Raval. At upper left is Anam Nataraja and Shankar Kolhe is at the right. Between them is George Baca of Belen, N. M., who was the state's 1951 IFYE delegate to Brazil.

# 1,200 4-H Winners to Receive Coveted Trips

A panel of 4-Hers discusses Club Congress theme "Serving as Loyal Citizens Through 4-H." More than \$750,000 in college scholarships, savings bonds, trips, leader training and other rewards is being contributed through the National 4-H Committee to promote the activities of 4-H—the world's largest volunteer youth organization.

**C**LIMAX of a year of earnest 4-H Club work for some 1,200 enthusiastic 4-H boys and girls will be the 31st National 4-H Club Congress scheduled to convene in Chicago, November 30—December 4. These outstanding young people, selected from more than 2,000,000 4-H Club members in the 48 states, Alaska, Hawaii, and Puerto Rico, are winners in 4-H projects conducted through the Extension Service.

For this select group of 4-Hers, the trip to the Congress is a coveted honor earned only through diligent effort. As Congress delegates, they receive various 4-H awards arranged through the National Committee on Boys and Girls Club Work, a citizens' group which lends support to the 4-H program.

More than 40 business firms, foundations, and public-spirited individuals sponsor national and sectional 4-H award projects as their contribution to this sound, successful youth program. The donor organizations provide to the National Committee grants totaling more than \$750,000 to be used for 4-H medals, trips, college scholarships, watches, savings bonds, leader training, and other aids.

Among prominent citizens who provide award funds to be administered by the National Committee as an impetus to 4-H accomplishment are Mrs. Charles R. Walgreen, Thomas E. Wilson, Edward Foss Wilson, Wm. Wrigley, Jr., and Gene Autry. Other sponsors are: Westinghouse Educational Foundation, Ford Motor Co., Standard Brands, Kerr Glass, Sears Roebuck

Foundation, Spool Cotton Co., Lederle Laboratories, Ida Cason Callaway Foundation, Carnation Co., Simplicity Patterns, Conrad Hilton Hotel, Hercules Powder, General Motors, International Harvester, Kelvinator, American Forest Products, Allis-Chalmers, Montgomery Ward, Kellogg Co., Dearborn Motors, United States Rubber, Cudahy, Firestone, Standard Oil Companies of Indiana, Kentucky and Ohio, American Oil, General Petroleum, Pan-Am Southern, Stanolind Oil and Gas, Utah Oil Refining Co., Pure Oil Co., the Santa Fe and Illinois Central railroads, Toni Co., Proctor Electric, and Spinnerin Yarn Co.

"The awards presented at the 4-H Club Congress are bestowed for self-earned advancement," G. L. Noble, director of the National Committee points out. "To 4-H Club members they are priceless symbols of achievement and public recognition. That is why so many of our agricultural and industrial leaders are interested in providing incentives that will help to build aggressive, sturdy citizens."

Donors also sponsor educational tours, meal events, and entertainment, which make the National 4-H Congress a memorable experience. However, sober purposes of the meeting are not overshadowed by festivity. Fortright group discussions, addresses by prominent speakers, exchange of ideas with youths from other countries, and other stimulating features will stress the theme of the year: "Serving as Loyal Citizens Through 4-H."

## Exhibits Displayed For 4-H Club Week

Leathercraft exhibits are on display this week at the New Mexico Public Service Company, 718 Dalies, and at the Adelino

School, in observance of National 4-H week. The exhibits were prepared by the Adelino Woodpeckers and the Blue Birds.

Last Thursday the clubs had a joint meeting to make plans for celebrating National 4-H week. Plans were made to have

exhibits displaying 4-H work. The club will also raffle a billfold to raise funds for the club expenses. The basketball team played in the tournament here at the gym Saturday.

The Junior Miss 4-H Club will have their 4-H display at the

Square Deal Fuel and Lumber Yard, 626 South Main.

The display includes articles the members have done in sewing, textile painting, leathercraft and their books on health.

The Boys Eagles Leathercraft have an exhibit on leathercraft

## Pauline Baca First In Junior Division Of Wool Making Contest

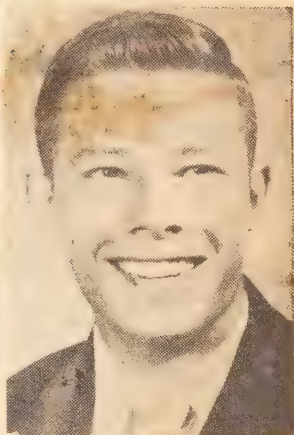

Competing against contestants from 10 other counties, Pauline Baca, 14-year-old Belen 4-H girl, this week won first place in the state Junior division of the open "Make It Yourself With Wool" contest and thereby receives an expense-paid trip to the National Fashion Show in Chicago the latter part of December.

Pauline modeled an all-wool coat and accessories which she made herself at a total cost of only \$23.68. A Sophomore in the local high school, the Junior champion is the daughter of Mr. and Mrs. Elfego G. Baca, 505 North Third street.

Her sister, Evangeline, a Freshman at State College, also competed in the Senior division but failed to place when judges held that the material used in her suit did not meet the "all wool" requirements.

The Belen sisters appeared in the dress revue at State Fair in Albuquerque Tuesday afternoon. At this same revue, Sylvia Sachs and Gloria Tabet presented their tap dance number, "Strolling in the Park," as part of the entertainment.

The fashion show, in which the Baca girls participated, is sponsored jointly in the state by the State Fair and the New Mexico Wool Growers' Association. The national show is presented by the F. W. Woolworth Co.

**GEORGE BACA, 20, BELEN,** one of the state's 4-H club public speaking champions this year, has been awarded a 17-jewel wrist watch. The award was presented to George by the Pure Oil Co. George has been an active 4-H club member and leader for nine years. In 1951, he represented New Mexico as a delegate to Brazil under the International Farm Youth Exchange Program. His record has been submitted to the National 4-H Club Committee for entry in sectional and national competition. He is the son of Mr. and Mrs. Elfego G. Baca, 505 North Third.

Grand Prize for the best garment in the Junior Class, a \$300 scholarship given by Pendleton Woolen Mills, was awarded to Miss Shirley Bostron, 16, of Atwood, Colorado. Her winning entry was a full-cut coat in Miron's black and white nubbed boucle, with jet black velveteen providing contrast at the cuffs, buttons and on the face of the coat's rolled, set-on collar.

First prize in the Senior Class, a Singer mahogany console sewing machine, went to Miss Ann Almquist, 21, of Redwood City, California. Second place in this class, a \$100 Savings Bond presented by Botany Mills, went to Miss Betty Westergaard, 21, of State College Station, South Dakota. The finals took place December 8th at the Edgewater Beach Hotel, in conjunction with the 88th annual convention of the National Wool Growers Association. On the morning of that event, the young champions were the Company's guests at breakfast and on a tour of the new Woolworth store at 211 South State Street, in downtown Chicago. cess," and will receive a \$100 Savings Bond presented by the Producers Livestock Marketing Association of Ogden, Utah.

Each of the 26 young National Finalists received an all-expense-paid four-day trip to Chicago. All travel expenses to and from Chicago were paid by the F. W. Woolworth Company.

The contest is open to all young women of contest age in Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming.

The "Make It Yourself-With Wool" Home Sewing Contest is designed to create interest in the art of sewing at home with virgin wool fabrics. Those judging each girl's fashion on workmanship and other points of home-sewing skill were Miss K. Elizabeth Canham, Educational Supervisor, Singer Sewing Machine Company; Miss Edna Gray, Extension Clothing Specialist, Urbana, and Mrs. Mary Sturm, Director of the Division of Home Economics, Board of Education, Chicago.

During their stay in Chicago, the young women were shown the city's major highlights; attended dinners, breakfasts, luncheons and other functions, and were guests at stage plays, radio broadcasts and the International Horse Show. The General Motors Corporation, through a Chicago representative, Platt, Inc., provided all transportation for the young women on their sightseeing tour, and in meeting their appointments throughout the city.

Don Dowd of the Don McNeill "Breakfast Club" radio program was commentator for the National Fashion Show. Following their selection, the National Champions and other contestants were guests on the "Breakfast Club," a nationally broadcast program of the American Broadcasting Company. Top prize-winners in the competition also appeared on the television news programs of station WGN-TV in Chicago.

### "Miss Wool"

Following the awarding of prizes in the "Make It Yourself-With Wool" contest the audience was further thrilled at the presentation of "Miss Wool." Miss Janet Lee, beautiful miss from Austin, Texas, had won this coveted title through the

promotion program of the Women's Auxiliary to the Texas Sheep and Goat Raisers Association. She was selected at the recent annual Texas convention through State-wide competition and appeared at the Chicago convention at the expense of this group.

Miss Lee had been awarded an all-wool wardrobe valued at \$2,000 by manufacturers of woolen garments and she modeled some of these at the conclusion of the "Make It Yourself-With Wool" activities.

## Oregon's Wool Promotion Booth

**T**HE Oregon Wool Growers and Auxiliary worked together on arrangements for their booth at the Pacific International Livestock Exposition. (Portland, Oregon, October 4-11, 1952). It was located across the aisle from the Livestock and Meat Board Exhibit. The Pacific International donated the space which was a large booth in a center location.

On the committee appointed by President Gerald Stanfield were Gaylord Madison, Jack Steiwer, Dick Wilkinson, Floyd Fox and Mrs. Floyd Fox, Auxiliary President. The Pendleton Woolen Mills of Portland sent a very able man, Mr. Don Eklund, to do the decorating. He draped eight lengths of different plaid materials on the back and sides of the booth and with them strips of scoured wool spelled out in large letters "Oregon Wool Growers and Auxiliary." A shelf was built on a slope and on it were displayed the famous Pendleton blankets and robes. In the center was an exhibit of raw wool, scoured wool, dyed wool, and yarn ready for weaving. A bobbin and shuttle completed the story.

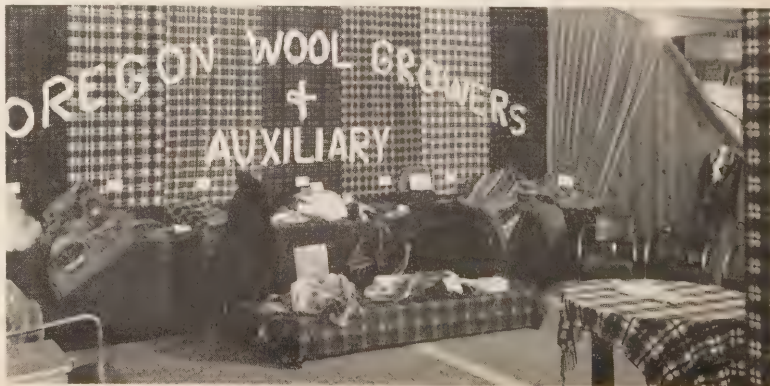

Gonty's Fur Shop of Portland loaned a coat and jacket made of mouton, also a collar and cuff set, which were displayed

on stands on both sides on a low platform, and mouton pelts from James Coon, Western Wool Storage and Harry Jackson, Blue Mountain Hide and Wool Co. were spread out, and everyone who visited the booth was eager to inspect them. A fleece of coarse wool and one of fine wool from the Pacific Wool Growers were shown.

Many teachers from the Portland public schools treated their classes to field trips to see the Pacific International. Several teachers asked the one on duty in the booth to explain the exhibit. Pamphlets on wool and lamb recipes were given out.

Comfortable chairs were provided and the booth became a meeting place for wool people as well as others who were happy to find a place to sit and rest.

Mr. and Mrs. Gerald Stanfield and Mr. and Mrs. Floyd Fox were on hand to see that all went well. Mr. and Mrs. Alvin Hartley, Mrs. Jack Kassner, Mr. and Mrs. Peter Obiague, Mr. and Mrs. Gaylord Madison, Mr. Jack Steiwer, Mrs. Don Cameron, Mrs. Archie Roff, Mrs. Victor Johnson, Mr. and Mrs. Verny Scott, Mrs. LaVerne Pearson, and Mr. and Mrs. R. L. Clark took turns staying in the booth and answering questions.
